

Logitech®

Pure-Fi Anywhere 2™

Big sound. Small size.

**Compact, portable speakers for iPod/iPhone
with crystal-clear sound**

- Clear sound and maximum bass thanks to the 5.1 cm (2") active and 7.6 cm (3") pressure drivers
- 10-hour rechargeable battery with battery-life indicator
- Browse and control your iPod with the wireless remote
- Protective travel case holds the speaker, remote and AC adapter
- Easy, one-touch access to shuffle and repeat functions
- Supports iPhone and all iPod models with dock connector
- Quick-start guide in English
- 2-year guarantee
- Full product support

Experience sound quality that's rich enough to satisfy your in-home tastes — in a form factor compact enough to take with you.

Logitech® Pure-Fi Anywhere™ 2 combines 5.1 cm (2») active and 7.6 cm (3») pressure drivers for crystal-clear sound and surprisingly deep bass.

Take it to school, work or the park with you. Stow the speakers, AC adapter and remote in the included travel case. The speakers include a built-in, rechargeable battery — with a battery-life indicator — that lasts for 10 hours on a single charge. Take it anywhere in the world; the AC adapter works on most electrical power grids worldwide.

Logitech® Pure-Fi Anywhere 2™
