 Supports lateral rotation with pre-sets

 Suits 75x75mm & 100x100mm patterns

 Supports display rotation

 Suits light-medium LED/LCD displays

 Touch screen / POS support

 Enhanced Security

This mounting solution is designed for POS applications, education and public space installations. It features a durable construction with a quality finish and enhanced security. While offering a high level of ergonomic and operational flexibility it can be configured to suit a variety of installation environments. Designed for a flat surface mounting, SD-POS-HA can be attached from above or below with concealed screws. Cabling is managed internally with the option to pass cables out at the base or through the desk. In addition to offering vertical and lateral rotation adjustment, the product allows for screen rotation and universal tilt/sway adjustment. A lockable quick-release mechanism provides for easy display maintenance while adjustable tension settings enable touch screen operation. An optional accessory kit provides for a dual screen back-to-back configuration to suit high density installations.

Product key features:

- ◆ Toughened construction with durable powder coat finish and polished appointments
- ◆ (Lockable) quick-release head for easy display installation, maintenance and repair
- ◆ Fully tension adjustable for touch-screen operation
- ◆ Enhanced security for public environment/ POS installation
 - ◆ Concealed pole mounting hardware and cable style display locking support*
 - ◆ Integrated cable management with multiple entry/exit points (monitor level, desk level and desk pass-through)
- ◆ Enhanced ergonomics with high user flexibility
 - ◆ Adjustable height from 330mm to 455mm (13"-17.91") as measured from the centre of the display
 - ◆ Lateral rotation support with installation pre-sets for fixed, 90°, 180°, 270° and 355° ranges of movement
 - ◆ Adjustable display orientation for operation in portrait &/or landscape modes (full 360° movement range)
 - ◆ Up to 20° of universal tilt/sway adjustment
- ◆ Comes supplied with installation manual and all mounting hardware

* Locking cable not included. Attachment requires display support.
