

## Cat6 Patch Cable with Snagless RJ45 Connectors - 10 m, Green

StarTech ID: N6PATC10MGN

This 10-meter Cat6 cable meets or exceeds all Category 6 cable specifications to ensure reliable Gigabit network connections. Plus, the cable features a durable green PVC jacket that enables you to color code your network cable runs as needed.

### Snagless RJ45 clips help protect your network connections

For easier cable runs, the snagless connectors protect the cable's RJ45 clips during installation, making them less likely to snag or break. This ensures a sturdy connection by preventing the cable from becoming loose from the port.

The cable features moulded boots that offer connector strain relief, by stopping the RJ45 connector termination points from bending at sharp angles, and reducing the risk of damage to the cable, which could decrease network performance.

### 100% copper for outstanding value

Get the highest value for your cable investment with our Cat 6 cables, each one manufactured using high-quality copper conductors.

### 24-gauge wire for high-performance network connection

Ensure high-performance capability for your demanding Ethernet applications, such as Power-over-Ethernet, using cables that include 24 AWG copper.

### 50-micron gold connectors provide peak conductivity

Rely on our RJ45 connectors to deliver optimum conductivity while eliminating signal loss due to oxidation or corrosion.

The N6PATC10MGN is backed by StarTech.com's lifetime warranty for guaranteed reliability.

### Applications

- Designed for use with Gigabit networks
- Patches from hub to distribution panel
- Connects workstation to wall outlet

### Features

- RJ45 connector clip protectors
- Carefully constructed and tested, to keep Near End Crosstalk (NEXT) well within acceptable limits
- Colored hoods for departmental color coding
- Molded strain relief prevents the cable from being bent at sharp angles at the RJ45 connector, to minimize the stress at the plug termination point
- Constructed with top quality components
- High quality 24 AWG copper wire
- ETL verified

### Technical Specifications

Warranty	Lifetime
Cable Jacket Type	PVC - Polyvinyl Chloride
Cable Type	Snagless
Connector Plating	Gold
Fire Rating	CMG Rated (General Purpose)
Number of Conductors	4 pair UTP
Wiring Standard	TIA/EIA-568-B.1-2001 T568B
Cable Rating	CAT6 - 500 MHz
Connector A	1 - RJ-45 Male
Connector B	1 - RJ-45 Male
Cable Length	32.8 ft [10 m]
Color	Green
Product Length	32.8 ft [10 m]
Product Weight	14 oz [396 g]
Wire Gauge	24 AWG
Shipping (Package) Weight	14.6 oz [415 g]
Included in Package	1 - 10 m Cat6 Patch Cable - Green

### Certifications, Reports and Compatibility
