

LABELS, PAPER ROLLS AND RIBBONS

FOR YOUR LABEL AND
RECEIPT PRINTING
NEEDS

calibor

Sektor understands the importance of retail consumables and the needs of their customers to keep their supplies up to date. We developed the Calibor range of high quality consumables to compliment the technology they provide and to keep your business running smoothly.

OUR RANGE

Calibor offers an extensive selection of direct thermal and thermal transfer labels, as well as direct thermal and carbonless paper rolls. We also provide thermal transfer ribbons, ink ribbons for dot matrix printing, and wristbands. In addition to our primary Calibor range, we have the capability to source the following:

LABELS

Customised sizes, a range of paper and synthetic-based materials, different adhesives, a variety of colours, tag stock, and different roll and core sizes to suit most Mobile, Desktop and Industrial label printers and experience to guide you through complex transactions.

PAPER ROLLS

Specific roll sizes, customisation of cartons, colour pre-printing of the back of receipt rolls are possible.

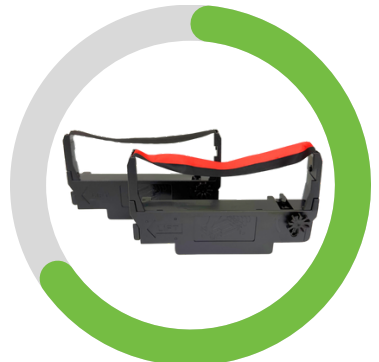

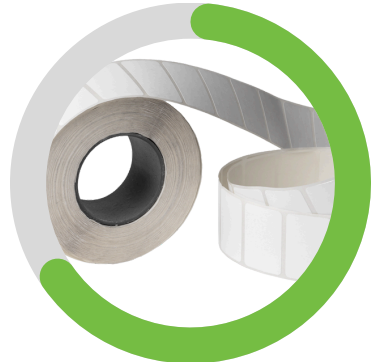

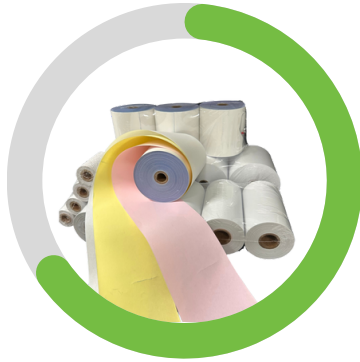

THERMAL RECEIPT RIBBONS

Specific roll sizes and different ink ribbon types for higher resistance and more durable applications.

APPLICATIONS

Calibor Consumables cater for a range of applications and markets such as below:

- POS and EFTPOS receipts
- Product labelling
- Transportation, Warehousing & Logistics labelling
- Retail
- Industrial
- Healthcare & Pharmaceutical
- Test & Tag
- Asset labelling
- Ticketing receipts
- Kitchen receipts
- Chemical Resistant labelling
- Outdoor labelling
- Cold Storage labelling

WHERE TO BUY?
