4 Point Lock

The Elite Nexus features a lockable faceplate that secures with a barrel key and four-point lock for ultimate security. As an additional security option, unique key and barrel sets are also available.

Cable Management

Keep your tablet charged with internal cable management in the fully enclosed case. The Elite Nexus tablet stand features two cable management options including the ability to discreetly run your cable from the device through the Elite case and Nexus base, or alternatively, run the cable directly though the included cut out in the case's rear.
